Netgear M4300-52G 48 x 1G 2 x 10G 2 x SFP + Managed Switch

Product Specification

Brand	Netgear
Model	M4300-52G
Part Number	GSM4352S
Type	Managed Switch
Hardware Specifications	48x1G Stackable Managed Switch with 2x10GBASE-T and 2xSFP+
Acoustics	31.5dB @ 25°C (77°F)
Ports	48 x 10/100/1000	2 x 10GBASE-T (Fast Ethernet, 1G and 10G speeds)
Management Ports	1G Ethernet service port for out-of-band management (OOB, RJ45)
Mini-USB port	local management console
Form Factor	Full width with dual	redundant modular PSUs for business continuity
Power Consumption	47.4 Watts
Feature Set	Layer 3 (static, policy-based and RIP OSPF VRRP PIM dynamic routing)
