

TP-Link TL-SG1005P 5 Port Gigabit Desktop Switch

Product Specification

|                        |                                                     |
|------------------------|-----------------------------------------------------|
| Brand                  | TP-Link                                             |
| Model                  | TL-SG1005P                                          |
| Type                   | 5 Port Gigabit Desktop Switch                       |
| Interface              | 5× 10/100/1000Mbps RJ45 Ports                       |
| Network Media          | 10BASE-T: UTP category 3, 4, 5 cable (maximum 100m) |
| Fan Quantity           | Fanless                                             |
| MAC Address Table Size | 2K                                                  |
| Jumbo Frame            | 16 KB                                               |
| Switching Capacity     | 10 Gbps                                             |
| Max Power Consumption  | 74.24 W 220/50 Hz. with 65 W PD connected           |
| External Power Supply  | External Power Adapter (Output: 53.5 VDC / 1.31 A)  |
| Dimensions             | 3.9×3.9×1.0 in (99.8×98×25 mm)                      |
